

ATTENTION TRAFFICKING WITCHES

You can leave the Occult and save your soul from damnation!

If you practice Wicca, a pagan and diabolical religion, then you are a Witch. Since there is no such thing as a “good or white witch”, you are going to hell when you die because you serve satan. If a Catholic practices Witchcraft, your tortures in hell will be greater! If you receive Holy Communion, then you have committed Sacrilege, and your tortures will be even greater.

If you want to be saved from damnation, there is a way!

If you are Catholic, go to Sacramental Confession. You must **REPENT** of your barbaric sin against CHARITY, and your **IDOLATRY!** You must repent for each witchcraft spell you hexed upon every person you cursed, and make reparations for the people you cursed. Appropriate reparation would be having Perpetual Masses (www.seraphicmass.org) offered for all persons you cursed.

This will not be an easy time for you, satan does not like to loose a soul to Jesus Christ, so you can expect demonic attacks yourself. Jesus, will protect you so do not give up on the healing process. You should go to Mass daily, say the Holy Rosary and Chaplet of Divine Mercy daily, Confession weekly for strength. Witchcraft is sorcery and is condemned by the Lord. Read our “Witchcraft is Condemned” paper and Galations 5:17-26.
