Three Day "Healing Conference" with Anna Marie March 13, 14 & 15, 2020

What This Conference Is All About

Anna Marie wrote the book, *"How To Rid Your Life Of Wicked Spirits And Persons"* because Jesus asked her to do so. This Healing Conference is designed for our Apostles of the Green Scapular who have struggled with curses, witches and spiritual attacks on their family. It has been inspired by Jesus who asked Anna Marie to offer a Healing Conference in Austin, TX in 2018. Just after that conference, Jesus asked Anna Marie to hold two other Healing Conferences in the Northeast and also in California. The California Healing Conference will be our third and final Healing Conference for Apostles of the Green Scapular.

This Healing Conference is perfect for those Apostles who attend Mass weekly, pray the Rosary and Chaplet of Divine Mercy daily and frequent Confession. It is for those seeking answers to the problems and issues in their lives and who are searching for physical and spiritual healing from Jesus.

TOPIC ONE: UNDERSTANDING AND HEALING YOUR OWN ANCESTRAL BONDAGE

Ancestral healing will focus on the sins of your biological bloodline. We have included a **Genogram** to help you work on your ancestral lineage. Please complete the Genogram and the best you can by speaking with your grandparents, parents, aunts, uncles or any other source of information that can help you complete your bloodline. It is important that you find out as much as possible about the lives of your parents, grandparents and even great grandparents. You should note any physical illnesses or diseases your family inherited from the previous generation, passed down through the generations. (Ex., great grandfather had a disease, then grandfather had the same disease and your father or mother has it now).

TOPIC TWO: UNDERSTANDING HOW WE CURSE OURSELVES THROUGH OUR OWN ACTIONS & SINS

How You Cursed Yourself: Anna Marie will open the Holy Scriptures to teach you what the Lord has said about curses you can expect because of your sins. You will learn how to heal your sins once and for all (it takes work and holy Confession). You will be set free from demonic bondage you may not be aware exists in your life, including getting rid of demonic spirits attached to you.

Break Bad Habits: Anna Marie will discuss why we have addictions that we just cannot stop. These addictions may be pornography, drugs, alcohol, over eating, and smoking. She will give Scripture that discusses why we are locked into our addictions and how we can Sacramentally work on and break these addictions. We have included a diagram of the **Seven Holy Virtues & Seven Deadly Sins**. Anna Marie asks that you go over it carefully and attempt to write down anything and everything that you need healed in your life, identifying some of your personal idiosyncrasies (behaviors) that you need healed.

Inner Healing: Anna Marie will focus on your past traumas from childhood, teenage years and adult life. She will explain why it is vital to forgive anyone who abused you. This could include trauma during your birth, as a child or teenager and adulthood. Anna Marie will hold several Inner Healing prayer sessions throughout the conference using the formula Jesus taught her. You will experience healing during these Inner Healing prayer sessions. Jesus longs to heal our broken hearts.

What This Conference Is All About (Continued)

Receiving A Holy Spiritual Sword: Anna Marie will offer a special prayer session asking Jesus to pour His precious and holy gifts upon you. One gift in particular is a Spiritual Sword from the Holy Spirit. This Spiritual Sword is so important in this evil age. She will train you on how to use your Spiritual Sword to break all wicked curses that others have hexed upon you. The training will include how to use your Spiritual Sword to cut curses on your spouse, children, family, friends and pets.

During this prayer session, Anna Marie will also ask Jesus to pour gifts such as: Healing, Word of Knowledge, Prophecy, Discernment, etc., upon you. One special gift the Lord gives to others when Anna Marie prays over others is the Invisible Stigmata. If you receive this gift, you will need to discuss it with her so she can help you accept it because it tends to be a painful gift. You may experience burning pain in your hands, your feet, a crown of thorns around your head and possibly more. Jesus will determine who receives what Gifts of the Spirit, Anna Marie will pray for you to receive as many holy gifts as Jesus wills to bless you with.

TOPIC THREE: REMOVING CURSED ITEMS IN YOUR HOME THAT TERRORIZE YOUR FAMILY

Anna Marie will help you identify common household items that are possessed, targeting and terrorizing your family especially the children. She has been conducting "House Cleansings" for many years and will discuss some of these items she previously cleared from other homes. These items include: books, movies, music cd's, computer games, and satanic rosaries. Most homes have demons which cause arguing between spouses, disruptive behaviors from your children, a lack of peace in your home. She will discuss how demonic and dangerous satanic rosaries are.

You will learn the difference between demonic spirits who roam your house as "black shadows" and ghosts (disembodied spirits or humans who have died and are still haunting your home). Anna Marie will teach you the method of getting rid of wandering ghosts in your home by reciting a Repentance Rosary. Anna Marie will bring a few scientific tools that can detect demons or ghosts, and teach you how to use them. Since she can see demons, Anna Marie recommends others to purchase these items to help clear their own home or workplace.

Anna Marie will go over the prayer that our Savior Jesus taught her while correctly placing 4 blessed Green Scapulars in the 4 corners of a home. Depending on the person, others have reported feeling the Holy Spirit pouring grace upon them. Everyone will receive a blessed Green Scapular Kit containing 14 blessed Green Scapulars. She will discuss why you do not pass these blessed Green Scapulars out, but write names of those you love on them and place them in a special place like your Home Altar.

Anna Marie will also teach you how to protect your home by going through every room in your home and plead the Blood of Jesus over the walls, floors and ceilings in every room. She will teach you the technique on how she prays over every room in a house, searching for demonized items, so you can get rid of anything cursed.

Three Day "Healing Conference" with Anna Marie March 13, 14 & 15, 2020

What This Conference Is All About (Continued)

TOPIC FOUR: IDENTIFYING IF YOU ARE BEING CURSED BY SOMEONE

Anna Marie will spend time discussing how to identify if someone you know is cursing you, like a family member, co-worker, neighbor, church friend, or anyone else you know. She will help you understand and discern what form of curses you are enduring. She will discuss what occult practitioners are cursing you with like: Witchcraft curses, Voodoo curses, and Santaria curses, etc. You will learn how important it is to bless your food before eating, to be cautious when accepting food gifts or any other gifts from people.

TOPIC FIVE: IDENTIFYING IF YOU ARE BEING HAUNTED IN YOUR HOME BY A TRAFFICKING WITCH

Anna Marie will define the difference between a Witch cursing you and a Trafficking Witch haunting and cursing you. She will describe the behavior of Trafficking Witches and how they come into your home, listen to your private conversation, learning what your weaknesses are, terrorizing you or your children and stealing anything that is not locked up.

Many witches are practicing the wicked art of "trafficking". That is when witches recite a curse, they separate their spirit from their body so they can travel as a spirit into your home. They want to haunt and curse you, they enjoy whispering or moving objects in your child's bedroom to frighten them. Witches love to torment you, they know you are good Catholic and they hate you and want to destroy your family love and joy. Trafficking witches can be anyone who is envious of you, what you own, the people in your life. Trafficking witches hate sweet innocent children because Jesus loves them so much.

You will receive four posters that Anna Marie has prepared from the Heavenly Messages Jesus has given her about Trafficking Witches and what will happen to these witches when they die and meet our Lord Jesus Christ for their judgment, they are going to hell for eternity! Anna Marie will teach you how to protect your home by blessing the exterior walls and the roof of your home with the holy Blood of Jesus to stop Trafficking Witches from coming into your home.

Anna Marie will also teach you how to protect your yard or land with the a Home Protection Kit. We will be offering our Home Protection Kit at the Healing Conference that you can purchase. You can also make and install your own Home Protection Kit with blessed holy medals and Crucifixes. We have a special prayer that needs to be recited when placing a canister full of medals into one of the 4 corners of your land.

TOPIC SIX: A RESOURCE GUIDE EXPLAINING BEHAVIOR'S OF WITCHES & EXAMINATION OF CONSCIENCE

Anna Marie has a great Resource Guide offering information on if something happens to you, it is probably caused by this. The information is simply a resource to help you discern if you are being terrorized by any occult practitioner. We have an extended Examination of Conscience that you can use to preparing for your Sacramental Confession.
