

***Three Day Healing Conference with Anna Marie***  
***At the Holiday Inn Austin Airport on July 13, 14 & 15***  
***\$325.00 per person***

***“How To Rid Your Life Of Wicked Spirits And Persons”***

Please join Anna Marie as she presents her new book Jesus asked her to write, “How To Rid Your Life Of Wicked Spirits And Persons”. She will discuss the three main sources of demonic attacks and how to mitigate them. These sources stem from:

- **Ancestral Bondage** (sins of your ancestors that you were born with and how you can heal them).
- Your own **Personal Sins & Actions** (understand what Scripture states and learn to heal yourself).
- **Wicked Persons Cursing You & Your Family** (learn the signs of trafficking witches haunting your home and family and learn how you can protect yourself, children, grandchildren and home).

Anna Marie will focus on:

- Your physical well-being and healing by closing any “open doors” you may have opened in your childhood from your personal participation in occult practices and games. She will lead an Inner Healing prayer service to remove demonic spirits that may be attached to you, terrorizing you now.
- She will discuss how you can cleanse and heal your home to rid it of demonic spirits that are attached to cursed items that are residing “hidden” in your home but terrorizing your children at night. In every home Anna Marie has cleansed of demonic spirits, it was due to items that were cursed and the home owner was unaware of. She will teach you how Jesus wants you to bless your home to protect it from trafficking witches entering your home.
- A big area of discussion is how to fight the demons who terrorize you from wicked witches cursing you. This area will include Anna Marie holding a prayer service to ask the Holy Spirit to give you a very, very special and holy gift: a **Spiritual Sword**. When Anna Marie has asked our Savior Jesus if He “wills” a person to receive this Spiritual Sword, those who have received it felt it being placed in the palm of their hand. She will teach everyone how they are to use this powerful gift to cut and destroy any demonic curses from witches or occult practitioners.
