

## *Spiritual Sword, A Gift From Holy Spirit*

I did not understand over 15 years ago, why the Lord sent me a Holy Sword. I saw it with my own eyes in a vision and felt it being placed in my hand. It was amazing and terrifying at the same time. I did not understand that the Lord would want me, Anna Marie, to pray for others to receive this gift back then, but I know what Holy Spirit wants now. The Lord is giving His righteous servants a means to protect themselves from curses and demons.

The Sword is real. When it is placed in your hand and you feel its presence, you know it is and the Lord has blessed you with an amazing gift. All Spiritual Swords are different in color. Some Apostles have reported the Lord showed them what their Spiritual Sword looked like. A woman said her Sword was silver in color, another stated their Sword was gold. Since this is a gift from the Holy Spirit, the Swords are actually gold or silver and will probably have it with you in Heaven one day. Some reported they saw jewels embedded in the Sword, like diamonds or rubies and other precious stones. It is not very important what the Spiritual Sword looks like, but what it can do to protect you and your family members.

We know that the Holy Angels use a Sword, certainly St. Michael the Archangel uses a Sword to fight demons and is pictured holding a Sword. From the beginning of time, the Lord has given Swords to His servants to fight and defend His most vulnerable. Now the Lord has deemed it the time for we humans to receive His Spiritual Sword and you may be called to receive this holy gift. I believe that in the near future, we may be required to use our Spiritual Sword to engage the demons and fight for our family members. We don't know what will take place during the Chastisement, but I know I will be ready to fight the demons if they come to attack with prayers and a Sword if necessary!

The Lord has been training me on how to use my Spiritual Sword to cut curses from witches and I use my Sword daily, because I am cursed daily and so are you. Wicked people like witches, curse good and unsuspecting servants of God because they serve the devil, they want favors from the devil and curse others to get it. Jesus said those who curse others will go to hell because they violate the virtue of charity. When witches curse us, they are sending demonic spirits to exact or enforce the curse. When I cut these curses with my Spiritual Sword, I know they are broken because I feel the demons departing from me since they have no power! Jesus saves us, alleluia!

This is why I am inviting you to attend this Healing Conference, I will ask our Divine Lord Jesus to send our Loving Holy Spirit to give all Apostles this precious gift. I will share some amazing stories about others who received a Spiritual Sword from the Holy Spirit to fight curses and demons. You will learn where to place your Spiritual Sword when you are not using it. How to cut curses on yourself or on others who need heal. The Lord may reveal to you what your Spiritual Sword looks like, the Sacred Scripture that pertains to your Spiritual Sword and more. I never place any limit on what Jesus can do for me, so be prepared for the most life changing event. Anna Marie will also ask Jesus to impart His Holy gifts upon you, such as: healing, word of knowledge, prophecy, visions and more. Jesus is the giver of gifts, not Anna Marie or any other person.

Please discern if the Lord is calling you to attend this Healing Conference! This will be the second time Anna Marie appears in public and it could be the last. If you feel the Lord is calling you but you are worried about the hot Austin, Texas weather, don't be. You will experience the heat only briefly going from your car/Shuttle bus into the hotel. If you are concerned about the cost, don't be. If Jesus is calling you to attend, then He will also give you the money to attend. Jesus always know what is best for you so ask and you will receive! Trust in Jesus and let the Lord lead you to healing, knowledge to fight evil, and joy in helping those family members who need you the most!

I and others are praying for you daily. I hope to see you there and can't wait to meet you in person!

I Love you all! Anna Marie
